Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Department of Defense, Executive Services Directorate (0704-0020). SECTION VII - PRIVACY ACT STATEMENT

AUTHORITY: 10 U.S.C. sections 1061 - 1065, 1072 - 1074, 1074a - 1074c, 1076, 1076a, 1077, 1095(k)(2), E.O. 9397.

PRINCIPAL PURPOSE(S): To apply for the Uniformed Services Identification Card and/or DEERS Enrollment.

ROUTINE USE(S): To appropriate business entities, individual providers of care, and others, on matters relating to claims adjudication, program abuse, utilization review, professional quality assurance, medical peer review, program integrity, third party liability, coordination of benefits, and civil and criminal litigation.

To the Department of Health and Human Services, the Department of Veterans Affairs, the Social Security Administration, and to other Federal, state, and local government agencies to identify individuals having benefit eligibility in another plan or program.

Applicant information is subject to computer matching within the Department of Defense or with other Federal or non-Federal agencies. Matching programs are conducted to assure that an individual eligible under a Federal program is not improperly receiving duplicate benefits from another program. A beneficiary or former beneficiary who has applied for privileges of a Federal Benefit Program and has received concurrent assistance under another plan will be subject to adjustment or recovery of any improper payments made or delinquent debts owed.

DISCLOSURE: Voluntary; however, failure to provide information may result in denial of a Uniformed Services Identification Card and/or non-enrollment in the Defense Enrollment Eligibility Reporting System. Failure to provide a beneficiary's Social Security Number renders that beneficiary ineligible for health care services in Military Treatment Facilities. However, emergency health care services will be provided to the extent furnished members of the general public.

SECTION VIII - CONDITIONS APPLICABLE TO SPONSOR OR APPLICANT

I understand that the actions of the recipient(s) of the "Uniformed Services Identification Card" issued as a result of this application are my responsibility insofar as proper use of the card for benefits and privileges authorized; i.e., medical and dental care, exchange, commissary, and morale, welfare, and recreation programs. I will cause the recipient to surrender the card immediately upon call to do so or when appropriate under applicable regulations, and will notify an agency designated to grant authorization for privileges and facilities in event of any change in status affecting a recipient's eligibility therefor.

I am aware that medical care furnished in uniformed services facilities is subject to availability of space, facilities, and the capabilities of the medical staff to provide such care. Determinations made by the medical officer or contract surgeon, or his/her designee, as to availability of space, facilities, and the capabilities of the medical staff shall be conclusive.

Reimbursement shall be required for any unauthorized medical and dental care furnished at government expense. Copies of regulations concerning eligibility requirements are available in the Service Personnel Offices.

By signing this document, the sponsor or applicant certifies that he/she is aware that eligibility for benefits under the Civilian Health and Medical Program of the Uniformed Services (CHAMPUS) terminates for all beneficiaries, except spouses and children of active duty members, and certain disabled beneficiaries under 65, when the beneficiary becomes eligible for Medicare Part A, Hospital Insurance, through the Social Security Administration.

PENALTY FOR PRESENTING FALSE CLAIMS OR MAKING FALSE STATEMENTS IN CONNECTION WITH CLAIMS: FINE OF UP TO \$10,000 OR IMPRISONMENT FOR UP TO FIVE YEARS OR BOTH.

(ACT June 25, 1948, 18 U.S. Code 287, 1001)
