

Example of Itemized Receipt For Green Exchange Rebate Program

The format requested to process invoices submitted for the Green Exchange Rebate Program is an "itemized" invoice. Please ask your landscape professional to format the itemized bill as shown. While the sample invoice provides all associated costs to the job, the rebate only covers the cost of the materials. Cost per unit must not exceed manufacturer's suggested retail price (MSRP). Please refer to additional terms and conditions found on the rebate eligibility form.
