# South Carolina Department of Social Services CUSTODIAL PARENT'S APPLICATION FOR CHILD SUPPORT SERVICES

The disclosure of your Social Security Number is mandatory, in accordance with section 466(a)(13) of the Social Security Act. Social Security Numbers are used by the South Carolina Child Support Enforcement program to assist in locating individuals for the purposes of establishing paternity and establishing, modifying and enforcing child support obligations.

### **Child Support Enforcement Services**

The South Carolina Department of Social Services, Child Support Enforcement Division (CSED), offers the following services to Non-TANF applicants who complete and sign the application. It is important that you carefully read the entire application and complete it to the best of your ability. If the application is not complete, we will return the application to you for completion. Please read Part II, "What to Expect," and detach for your records.

### **Locate Only Service**

"Locate Only" service means that one complete search for the NCP will be made. This will include a search of all sources available to the CSED. If found, you will be provided with a verified address and/or employer for the NCP. Your case will then be closed. Successful results are not guaranteed.

"Locate Only" service does not include scheduling the case for a hearing to determine paternity, secure or enforce child support, or review for medical support. If you would like these services, please choose "Full Service."

#### **Full Service**

"Full Service" means every reasonable effort will be made to:

- Locate the non-custodial parent (NCP) if his/her location is unknown. There is no guarantee that the NCP will be located.
- Establish paternity, if the parents of the child/ren were never married and it is legally feasible to do so.
- Obtain an order for support based on child support guidelines, if legally feasible to do so. Obtain medical support, if available to the NCP at a reasonable cost.
- Provide enforcement services that could include any of the following: wage withholding; federal and state
  tax refund offsets; establishing liens on real or personal property, posting bonds or security to guarantee
  payments, revoking licenses, credit bureau reporting; and obtaining medical support. An additional fee will
  be required when utilizing tax refund offsets.

You also have the right to request that we review your child support order for possible modification every three years. The review of the case may result in an increase or decrease of the child support award.

To obtain either of the services listed above, you must:

- Send the completed application to:
  - South Carolina Department of Social Services

Child Support Enforcement Division

P.O. Box 810

Columbia, South Carolina 29202-0810

- Attach a money order or cashier's check for \$25.00 made payable to the SC DSS. Pursuant to federal law, we are required to charge a one-time, non-refundable application fee for each case opened by the CSED. If you send in your application without the required \$25.00 fee, the application will be returned to you without being processed. Please note that we are unable to accept personal checks.
- Completely fill out Part I. This must be completed before we can accept your application.
- Sign and date the application where indicated.
- Cooperate fully with CSED in providing the needed information to proceed with the case.
- Pay any fees that may be required (for example, tax intercept fees).

#### **PART II**

#### What to Expect

(Please read this page and the next carefully and DETACH for your records.)

The South Carolina Department of Social Services (DSS) provides child support services to Custodial Parents (guardians) through its Child Support Enforcement Division (CSED). You must complete the application to open a case with the CSED.

The CSED uses its resources to help a custodial parent (CP) to:

- Locate the non-custodial parent (NCP).
- Establish paternity if the child/children was/were born out of wedlock.
- Establish a child support/medical support order against the NCP.
- · Work with the appropriate Family Court staff to enforce the child support order.
- Review the case for modification of the child support order upon the request of the CP or the NCP.

All cases accepted by the CSED are handled on a first come, first served basis. Claims for visitation, custody or other issues that are often associated with child support are not handled by CSED.

You must complete this application as thoroughly and accurately as possible and return it to the address indicated so that the CSED may determine your eligibility for child support services. When completing the application you may not know the answer to all of the questions, but you should provide as much accurate information as possible. Please double check any information about which you are not certain. The more accurate the information you provide, the faster and more efficiently CSED can process your case.

South Carolina law requires that you notify the CSED in writing when you move, change your name, change jobs or change your telephone number (at home or at work) so that staff will be able to contact you without delay. You must notify the CSED of these changes within 10 days of the change. If you do not notify the CSED as required, the court or the CSED may take actions on your case without your knowledge.

If you cannot provide a current address for the non-custodial parent, CSED's first step is to locate the person. Our Parent Locate Unit will use the information that you provide to obtain a home or work address. The time it takes depends on how much information you have provided. The NCP's Social Security number is always helpful, but this does not mean our parent locators will be able to find the NCP right away. If you apply for "Parent Locate Services Only," we will notify you when we obtain information about a home and/or work address. We will not take further action unless you request it.

If you apply for "Full Service" and if we locate the NCP, your case will be turned over to a child support specialist in one of CSED's regional offices for legal action. If you already have a court order for child support, CSED will take steps to enforce that order. You should attach a copy of your support order or divorce decree and any modifications to that order.

If you do not have a court order for child support, the regional office staff will bring legal action to obtain a court order. The regional office will notify you in writing of any court hearings or conferences that you must attend.

Please keep in mind that we cannot tell you how long these proceedings may take. It may take longer under any of the following circumstances: the NCP moves or quits his or her job after the location is determined; the NCP refuses to admit paternity or to pay child support, thus requiring additional court hearings; or the NCP is located outside of South Carolina.

Please understand that we need your full cooperation throughout this entire process. Your failure to cooperate could result in CSED closing the case. Before CSED takes any action to close a case, we will send you a letter indicating what will be required to avoid case closure. You may also close your case at any time by mailing to CSED a written statement requesting case closure. As a state agency operating under state law and federal law, legal requirements and policies may conflict with what you request. If a conflict of interest arises, CSED staff will contact you to discuss the situation.

When the NCP makes child support payments to the Clerk of Court, the clerk will send all of these payments directly to you. If you have ever received Temporary Assistance to Needy Families (TANF), formerly known as Aid to Families with Dependent Children (AFDC), the clerk will send your child support payments to CSED's Financial Services Division for processing. CSED will forward to you 100% of your current monthly child support obligation if you no longer receive TANF. If the NCP pays child support in excess of the monthly obligation, CSED will pay to you any and all arrearages/reimbursements due to you. Once all sums due to you have been paid, DSS will begin retaining collections in excess of the monthly obligation to be applied toward any arrearage or reimbursement due to the state. Through this action the state and federal governments recoup money for the AFDC or TANF payments made to you.

In addition to working with the appropriate Family Court staff to enforce your child support order, CSED will refer the case to our Tax Intercept Unit for assistance in collecting the past-due child support. If the NCP has a qualifying arrearage, CSED will refer the NCP to the South Carolina Department of Revenue and/or the Internal Revenue Service (IRS) for the possible interception of any refund that the NCP might be due from the year's tax returns. You may be charged a nominal fee for the successful use of this service. If you have received AFDC or TANF and arrearages are owed to the state, the money collected by tax offset must first be applied to satisfy that arrearage.

You are protected by Title VI of the Civil Rights Act and can make written complaints to the Director, South Carolina Department of Social Services, P.O. Box 1520, Columbia, South Carolina 29202-1520, within 180 days, if at any time you believe you are denied services or otherwise discriminated against because of race, color, creed, sex, religion or national origin.

Listed below are the telephone numbers of CSED offices.

Thank you for your cooperation. The Department of Social Services pledges to make every effort to help you obtain the child support owed to your family.
